

Boardcare

Boardcare Non Aqueous Cleaning Liquid

**Contents:**

Boardcare Reagent
A, Releaser, Cleaner | 1 x 500ml

Order# H00007

Boardcare non aqueous cleaner is a non-aggressive liquid and compatible with the metallic and non-metallic materials used in the onboard testing devices. It effectively removes the oil and the residuals of the test reagents in the cleaning step after the testing stage and ensure the longevity of the testing systems.
